

**Honeywell**

**For Peace of Mind**

Insist on Honeywell

When it comes to security, comfort and convenience, homeowners look to Honeywell. In fact, more homes in the United States and Canada are protected with Honeywell security systems than those of any other manufacturer. At Honeywell, we know that your security comes from knowing you've made the very best choice for your family's protection.

Your Honeywell Dealer:

# LYNX Touch.

Incredibly innovative. Surprisingly simple.

We took our most popular security system and brought it to life with a brilliant, full-color touchscreen that's so intuitive you can operate it right out of the box!

LYNX Touch puts information and control at your fingertips, protects your property and possessions, lets you operate your security system on the go—it can even keep you connected to your family and home whether you're across the street or across the world. No other system can touch it!

### You're in Control

Convenient wireless remotes provide simple, single-button control of your security system, lights, garage doors and more.

### 24/7 Monitoring

Your home can be monitored by security professionals 24 hours a day to ensure a quick response in the event of an alarm, fire or other emergency.

### Energy Management

Ask your security dealer about thermostat setback and basic lighting control!

## Simply Brilliant!

### Brilliant, Full-Color Touchscreen

The large crystal-clear, full-color touchscreen makes security system operation easier than ever—with graphics and menu-driven prompts guiding you every step of the way.

### Easy to Read

The icons and words are large, clear and easy to read—making it great for family members of all ages.

### Full Voice Response

For an added level of security, system status and zone descriptions are announced in clear, spoken English.

### Follow Me/Reminder

The "Follow Me" feature can actually call and alert you to alarms and remind you of important events and appointments.

### Family Message Center with Built-in Microphone

The Family Message Center lets everyone record and playback voice memos for one another. LYNX Touch can also be used as a convenient, hands-free speakerphone.

### Two-Way Voice

Two-way voice helps ensure that the proper emergency response personnel will be dispatched to your home if necessary by letting central station operators listen in and talk to you when a signal is received.

### Advanced Communications

Can send alarm signals to the central station over phone lines, Internet and internal GSM radio.

### Built-in Sounder

### Four Dedicated Function Keys

The four dedicated keys are great for frequently used functions.

### Total Connect Remote Services

Get the most out of LYNX Touch with Total Connect Remote Services! You can access and operate your system remotely, view live video, receive important alerts and stay connected to your family and home—all on the same mobile devices you use every day. For more information, visit [www.mytotalconnect.com](http://www.mytotalconnect.com).

### Free Apps for Total Connect

Apps for iPhone®, iPad™ and iPod touch® devices are available at Apple's iTunes Store<sup>SM</sup>. The Android™ app is available at Android Market. Total Connect subscribers can download the BlackBerry® app at [www.totalconnect.net](http://www.totalconnect.net).

\*LYNX Touch is Total Connect-ready when using optional communications devices. Ask your security dealer for details and availability. iPhone, iPad and iPod touch are registered trademarks of Apple Inc. All other trademarks are property of their respective owners.
